Learning Outcomes:

- Learn how to better utilize all of the resources on the PISP website.
- Explore practical tools available to assistants & teachers through the Participation Kits.
- Explore some systemic solutions for special education teacher training.
- Learn about other great website resources.

1. **PISP Case Managers** - regional distance support for all case managers
2. **Program Information** - criteria for referral, referral forms, etc.
3. **Videos** - downloadable to share with classroom teachers, assistants & families
4. **Strategies** - e.g., short demo video clips, 1-2 page quick information handouts, visual examples, Teacher Handbooks, sample schedules, Pathways, PATH, Transition To Adulthood materials, and more...
5. **Learning Modules** - special education teacher training (District Cohorts)
6. **Inservices** - downloadable district, school based and classroom inservices
7. **Participation Kits** - handy tools to increase your student's participation through jobs, leisure activities and parallel academic participation
8. **Equipment** - visuals of frequently used equipment to increase accessibility, voice output and participation, as well as other equipment based resources
9. **Disability Awareness** - sites for various disabilities to learn more about your student's syndrome or conditions and the impact on learning and participation
10. **Resources** - what is available to you?
11. **District Partners** - who is your PISP district partner and what is his/her role?

Handout includes:

- Key areas of website
- Brochure of videos available to download
- List & pictures of all participation kits available to download
- List of additional online website resources that relate to SMD
- Survey on what looks most useful and what you'd like to see added.
