

## Dance Modifications

- Use the Step-by-Step Communicator or other voice output to greet classmates and the teacher.
- Play music with the Powerlink and switch for warm up activities.
- Play background music with a switch operated tape recorder for classmates to dance. Use the Timed function on the Powerlink.

- Deliver messages for the dance teacher  
e.g.,  
- Mr. James needs to borrow an extension cord. Do you have any that he can borrow?

- Gather props or costumes for up-coming dance activity for the teacher.
- Provide instructions on the Step-by-Step Communicator for a dance the class is working on.
- Provide questions regarding a dancer style being studied in dance class.
