(e.g., Apple Cobbler)

- To start, we need to all wash our hands.
- Someone needs to preheat the oven to 350 degrees.
- Someone needs to grease the pan.
- Our first ingredient is apples. We need to cut them up into little pieces.
- Who's turn is it now?
- Next, we need to mix in a separate bowl, 1 cup of flour and 1 cup of sugar.
- Now add ½ cup of butter.
- Don't forget to add 1 teaspoon of cinnamon to this mixture.
- Now, we need to hit the switch to run the mixer to stir the ingredients.
- When we are finished cutting all of the apples, we need to drop them into the greased pan.
- Who wants to pour the mixture onto the apples?
- Set the timer for 40 minutes to bake the apple cobbler in the oven.
- Now we need to clean up.
- Who wants to wash the dishes?
- Who wants to dry the dishes?
