

Gym Equipment & Materials

Equipment and materials, which can be included in this kit:

- Loud gym buzzer for starting or stopping games
- Tape recorder and music for starting or stopping warm up activities
- AbleNet Powerlink
- Step-by-Step Communicator
- Switch (e.g., spec switch, jelly bean switch, lever switch, etc. to run the “spinner”) to run buzzer or tape recorder for music
- Oversized balls and equipment (e.g., gigantic soccer ball, balloon instead of a birdie for badminton)
- Light-weight adapted equipment (e.g., balloons instead of balls)
- Equipment that moves slower (e.g., balloons, etc.)

*Refer to the following in this section for ideas:

- Levels of Participation
- Adaptations Primary
- Adaptations Intermediate and Secondary
