

Questions & Comments for Step-by-Step Communicator (or other voice output device) for Gym

- Greeting and good-bye to gym teacher at beginning and ending of class.

- Comments to a peer in a one-to-one practice:
 - Are you ready?
 - Your turn! ... My turn!
 - Am I getting any better?
 - What's your favourite sport to play?
 - What's your favourite sport to watch on T.V.?

- Can I help get out the equipment?
- Can I help put the equipment away?
- Can I help tidy the equipment room with a buddy?

Possible comments to program during a team game:

- I wonder who is going to win?

- Oh, Oh – it's pretty close!

- Go team! Go!

- Simulate cheer music from a hockey game.

- Applause recorded by the entire class on the Step-by-Step Communicator and played where appropriate after goals, etc. throughout the game

- Record the teacher's whistle on the Step-by-Step Communicator and the student works with the teacher's cues to sound the whistle for a foul play or a face-off.

- Assistant keeps track of the score and the teacher asks the student for the score periodically throughout the game (which is updated continuously on the Step-by-Step Communicator)
