

## Math Equipment & Materials

### Equipment and materials, which can be included in this activity:

- Battery operated fan (e.g., from a dollar store) adapted with a grid to act as a “spinner”, attached to a battery interrupter as noted to the right ->

- An electric fan can also be adapted to operate as a “spinner” by making a grid with the twister game choices

- AbleNet Powerlink for using an electric fan for spinner
- All Turn It Spinner by AbleNet with Optional Overlays:
  - Number dial for dice games, math games and hopscotch
  - Grid overlay for telling time
  - Grid overlay for choosing colours
  - Grid overlay for selecting peers
- Step-by-Step Communicator to pose questions or give answers to classmates
- A Switch (e.g., spec switch, jelly bean switch, lever switch) to run a “spinner” as shown in the sample above
- Stapler for stapling books together
- Sponges or daubers in geometric shapes
