

**Comments & Questions for Step-by-Step Communicator  
(or other Voice Output Device)  
for  
Math**

- Pose a question given by the teacher to the class
- Have the answer to a brainteaser on the Voice Output Device, and classmates have to seek the student out during recess or lunch to see if their answer matches the student's answer
- Give answers to classmates when correcting each others' work
- Reminder about math homework and how many pages
- Start off a timed math drill ("ready, get set, go!") and end the timed drill ("stop! Pencils down.")
- Greeting to teacher in class or peers in small group activity
- Possible comments to program during a math game using the All Turn It Spinner
  - I wonder who is going to be the winner?
  - Oh, Oh – that's a tricky question
  - Let's do another spin!
- Possible comments to program while practicing math facts with a peer or two in a small group, while using the All Turn It Spinner to select the next number (e.g., practicing times 8 tables)
  - What's the answer?
  - Who's in the lead?
  - Who's turn is it next?
