

Questions & Comments for Step-by-Step Communicator  
(or alternate Voice Output Device)  
for  
**Woodworking Class**

- Greetings to the woodworking teacher and some familiar classmates
- What is your favourite style of furniture?
- Which tool do you prefer to work with?
- What's your favourite type of wood?
- What do we do next?
- Can I help hand out any worksheets or materials?
- Messages from the teacher for the class such as...
  - reminders (e.g., safety tip of the day; keeping the chatter to a minimum)
  - announcements (e.g., project finish date)
- Comment on individual classmates' woodworking projects as the student moves around the room
  - too cool!
  - how's it going?
  - wow! That looks sweet!
  - where'd you come up with that idea?
