

## Coaching Activity #4

### SOME STUDENT FOCUSED OBJECTIVES JUST NEED A LITTLE FINE TUNING

Activity: Select one objective to re-write and send it someone else taking this workshop for feedback.

<b>Student Focussed Objectives That Just Need A Little Fine Tuning</b>	<b>Student Objectives That Are Clear &amp; Measurable For Everyone</b>
<p>1. choose from 2 things <i>(How will he choose? Hands? Gaze? What will he choose. Objects? Pictures?)</i></p>	
<p>2. learn some functional sign language <i>(Let's be specific. Which signs? If the student has a large vocabulary then let's specific increasing the number of signs or the type of signs. If only a few words, then specific e.g., "more", "finished", "hi", "drink")</i></p>	
<p>3. respond to verbal greetings <i>(What will this look like? With eye contact? Hi five? Glance? Smile? How will we know what to look for to see progress?)</i></p>	
<p>4. operate several different single switch items <i>(How will the student operate these? With his hand? Head? Leg? Why will the student be doing this?)</i></p>	
<p>5. communicates his needs &amp; wants <i>(What will this look like? E.g., The student will increase his appropriate use of vocalizations, gestures and gaze to communicate his needs &amp; wants.)</i></p>	
<p>6. bear weight with assistance for transfers <i>(How will we measure improvement in this area? Will the student be able to do this for longer periods of time? e.g., with less physical assistance? e.g., in more situations?)</i></p>
