Acceptance/Rejection Data Collection Form

Record all responses that the student makes when you offer an object or activity. Write down what the object or activity is that is being offered. Check whether the response is "yes" or "no". If you receive no response at all, make a note under "comments". If you offer the same item/activity again, list it on the next line as 2nd or 3rd response in sequence.

The student communicates acceptance or "yes" by: _____

The student communicates rejection or "no" by: _____
