

Additional Teaching Techniques For Specific Behaviours

Information is available on this website in other areas of this strategy section. In particular, check out the **fine motor** strategy section. Some of these suggestions/tools can often help in diminishing your student's frustration, and thus decrease the chance of your student's need to communicate his/her frustration in an undesirable behaviour/communication.

Tools

- Backward Chaining
- Backward Chaining Sample
- Elbow Prompting
- Energy Conservation
- Hand Over Hand Prompting
- Hand Under Hand Activities
- Hands Down Activities
- Prompt And Fade Summary
- Prompt Routine
